# 1. ENGLISH AUCTION OVERVIEW

## 1.1. Introduction

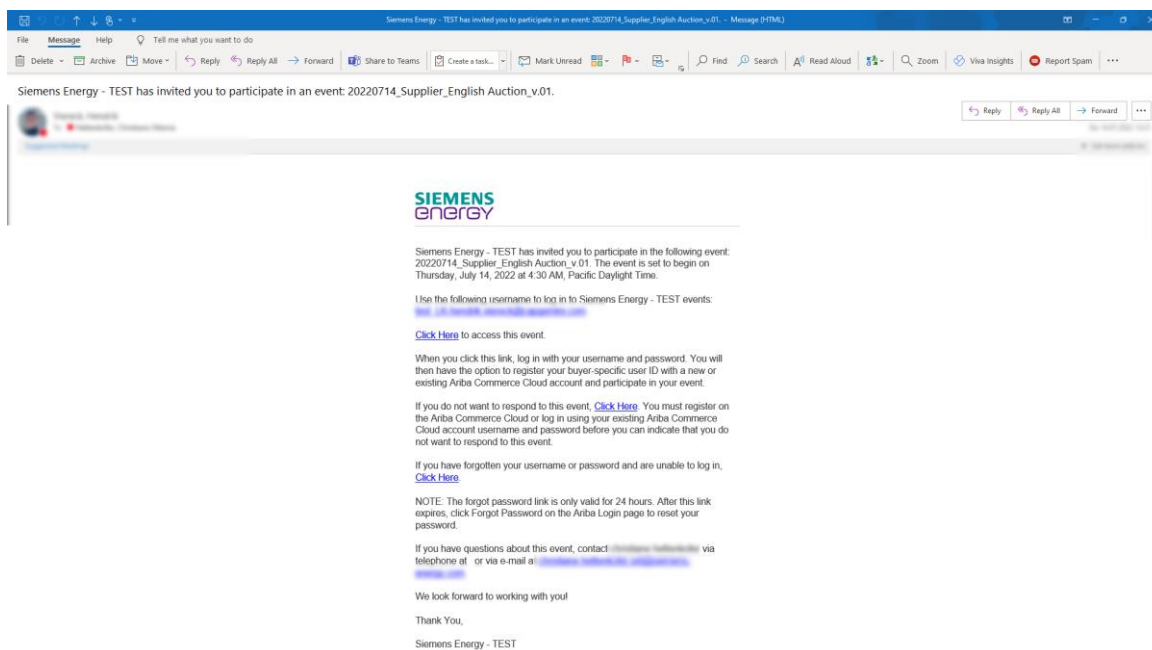

In this manual you will get an overview on **how to participate at an English Auction** in ARIBA, what you need to keep in mind when filling out the form and how you can monitor the process in ARIBA.

### Learning Goals

- Overview on how to participate at an English Auction in ARIBA
- What to keep in mind when filling out the form
- How to monitor the process in ARIBA

## 1.2. Invitation to eAuction

Once you have been selected as participant for an auction, you will be **automatically informed via email** about the event, meaning this auction.

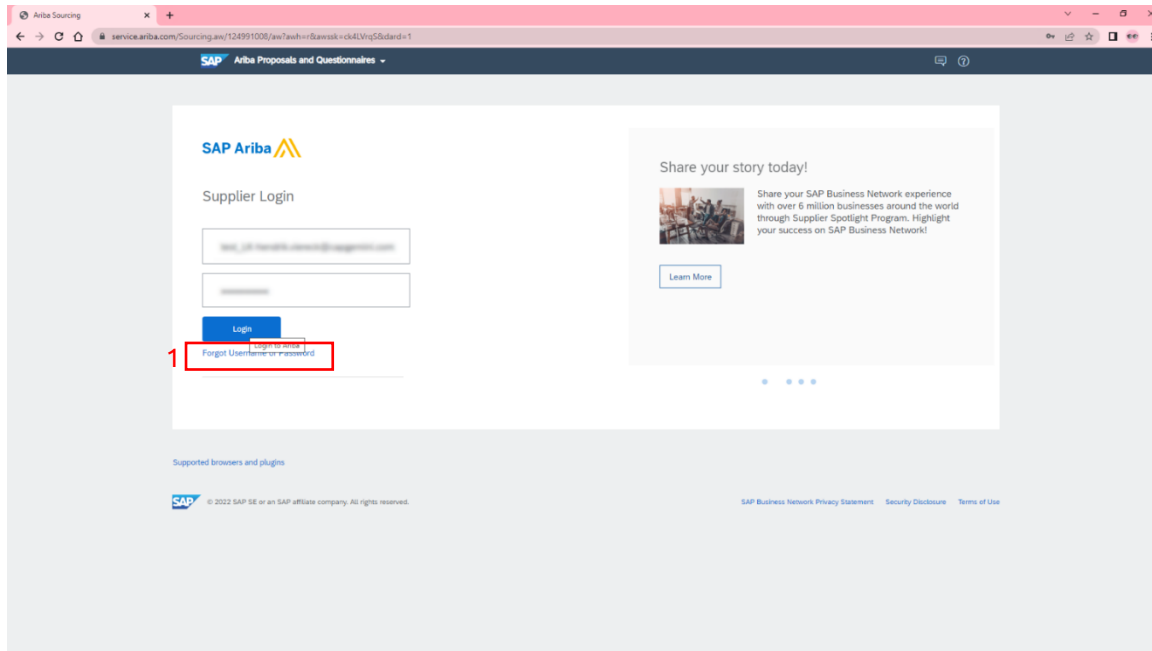

## 2. NAVIGATE THROUGH SAP ARIBA

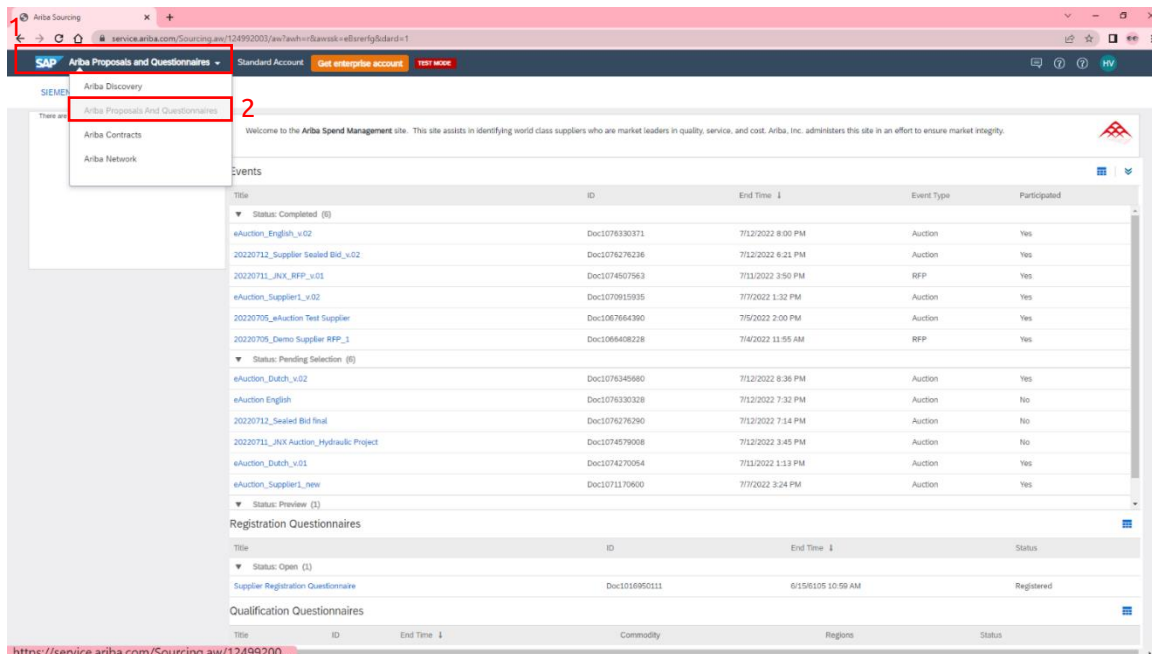

### 2.1. Login to ARIBA

There are two ways for you to login to your ARIBA profile:

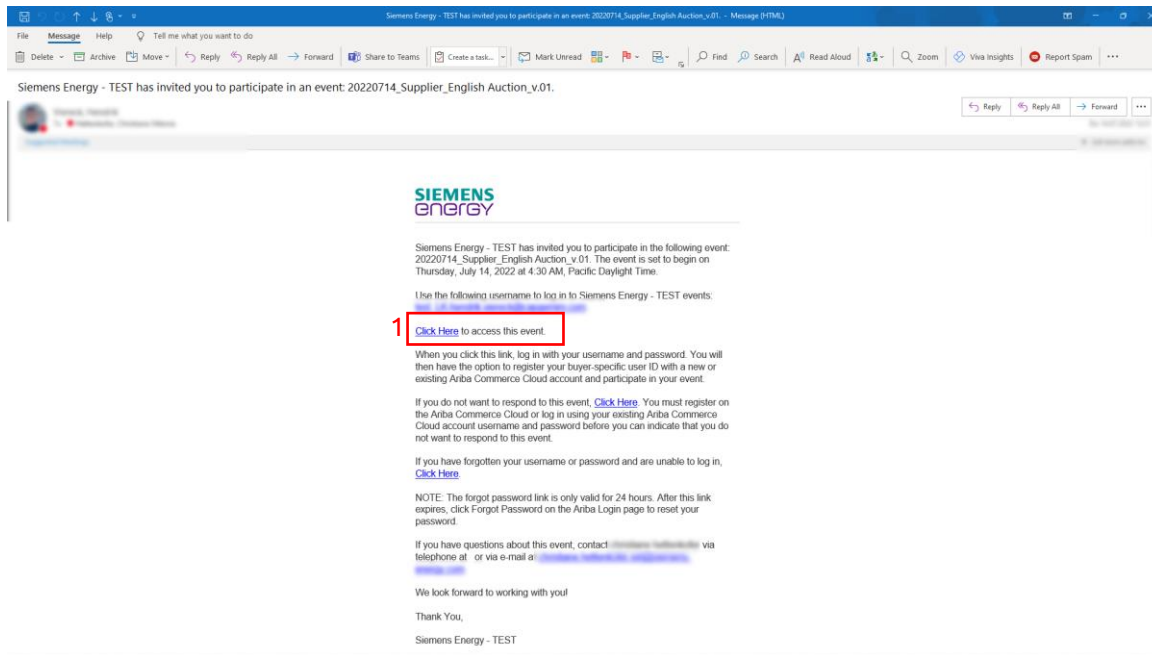

You can login via the **ARIBA Supplier website**, reachable under **service.ariba.com**. In case you have **forgot-ten username and/or password** please use the option “forgotten Username/password” (1).

Then you need to click on the tab “Proposals & Questionnaires” (2) in the dropdown on the top of the page (1).

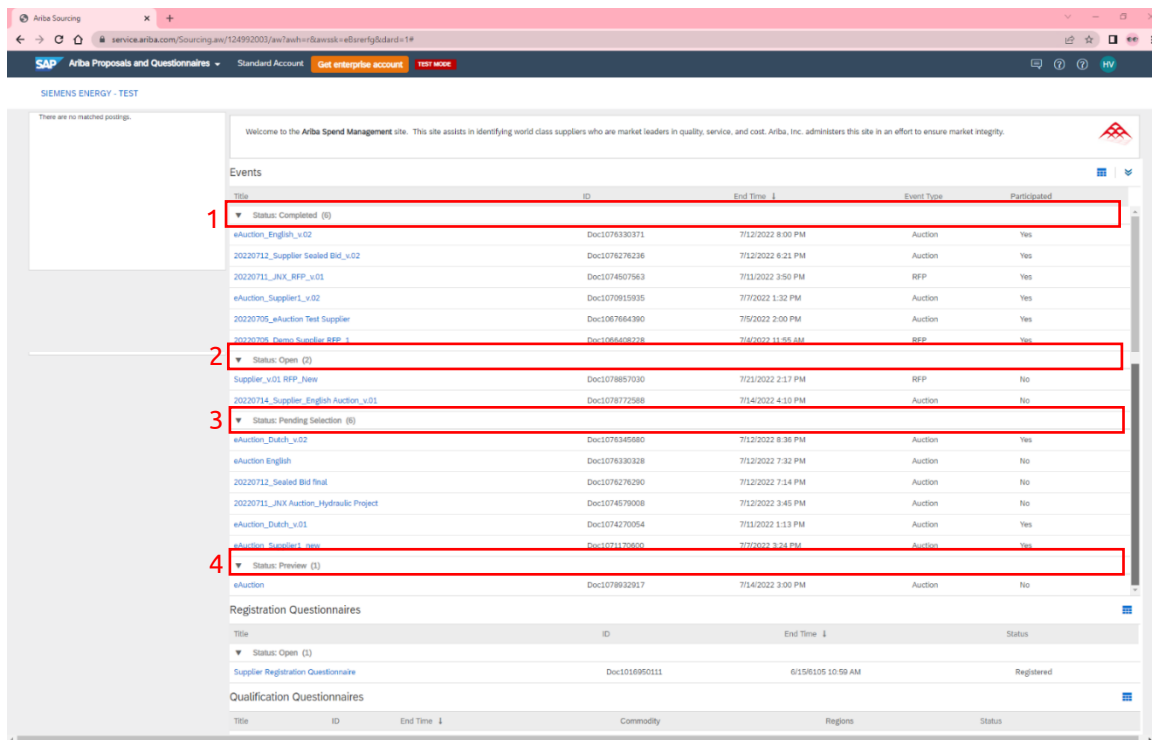

Or you **click directly on the provided link (1) in your received mail**, where you will be directed to the login mask of the ARIBA supplier website. After your successful login you will **get directly to the request**.

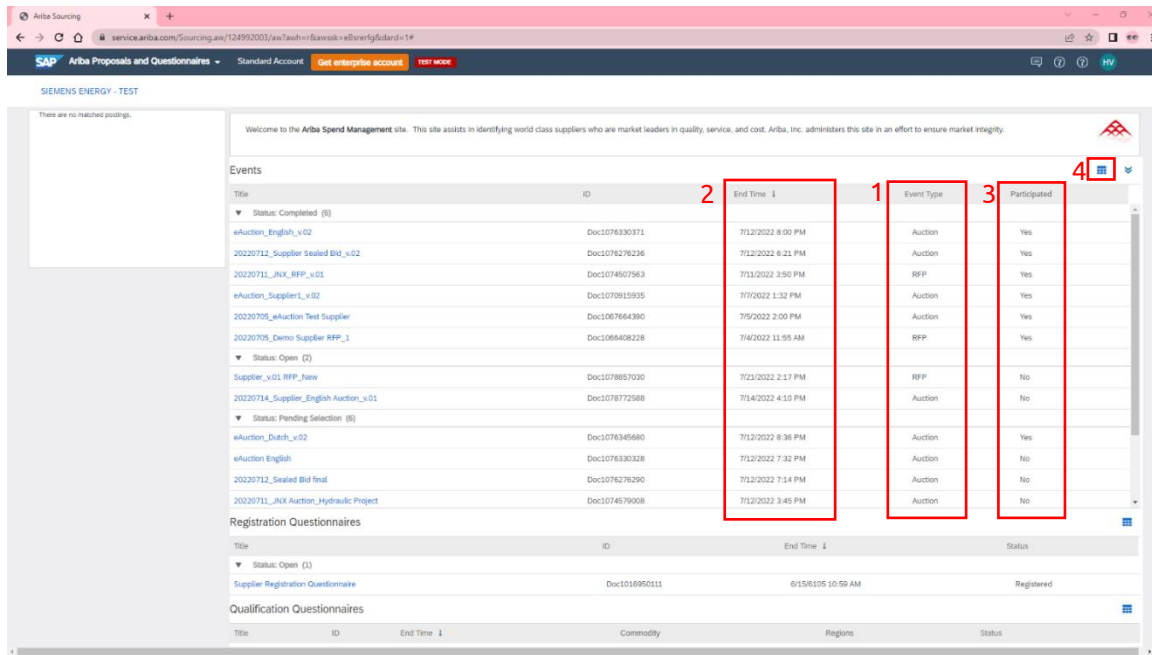

## 2.2. Dashboard Overview

Before we focus on the auction form, we will give you an **overview of the dashboard** in your ARIBA profile. Here you see all events, for example eAuctions, where you have been invited for with the respective status: “Completed” (1), “Open” (2), “Pending selection” (3) or “Preview” (4).

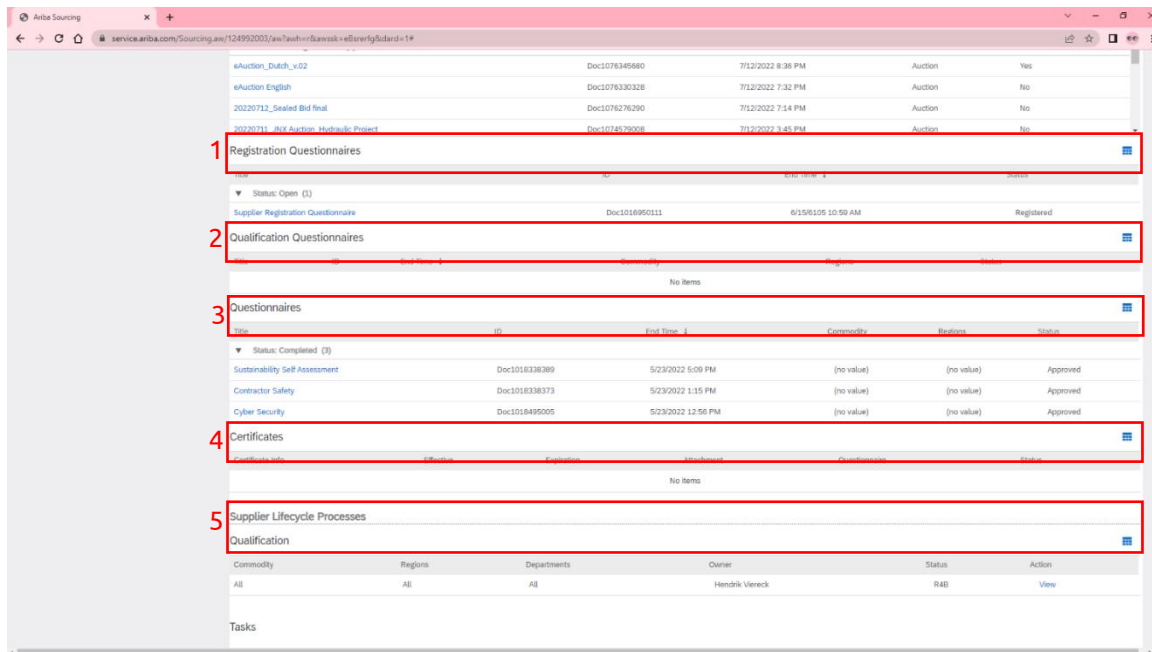

In the column "Event Type" (1) you see the respective details, for example if it is an auction or not. Directly next to this column, is the end time (2) of every single auction listed. Please note the start time which is indicated and defined in the eAgreement.

In the column "Participated" (3) you see at a first glance, if you participated at an event, for example RFP or auction, or not. In case you want to customize your dashboard, you can do this by clicking on the respective icon at the top of the table (4).

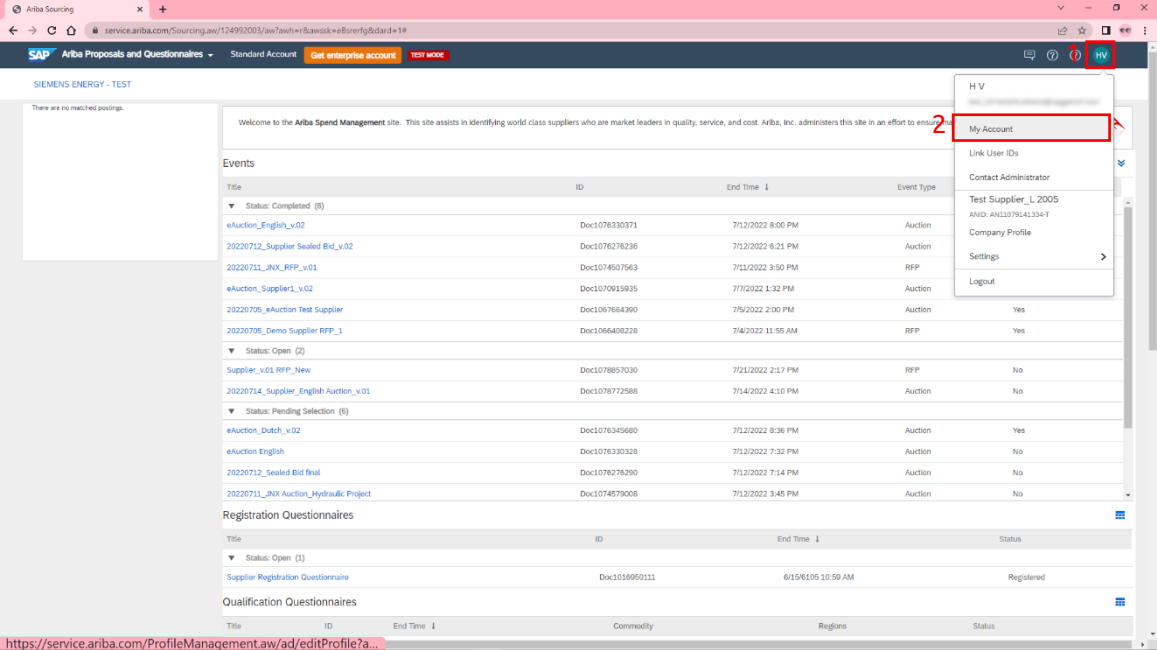

At the bottom of the page there are other categories for your reference as well, like: "Registration Questionnaires" (1), "Qualification Questionnaires" (2), "Questionnaires" (3), "Certificates" (4) and Categories within the Supplier Lifecycle Processes (5).

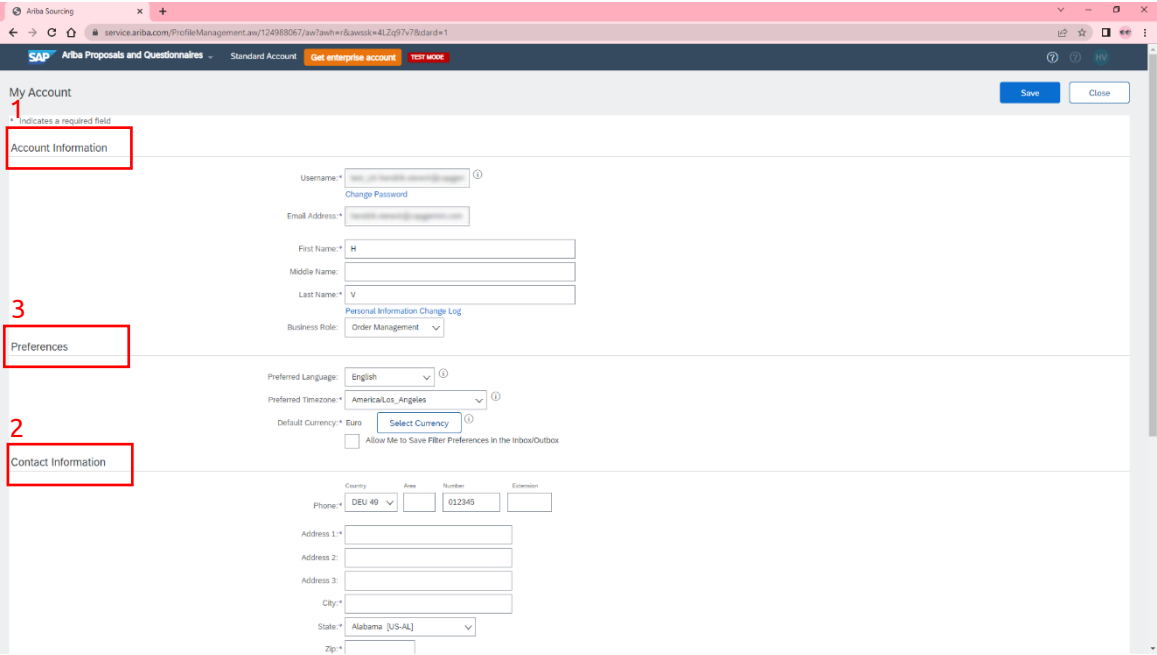

### 2.3. Profile & User Settings

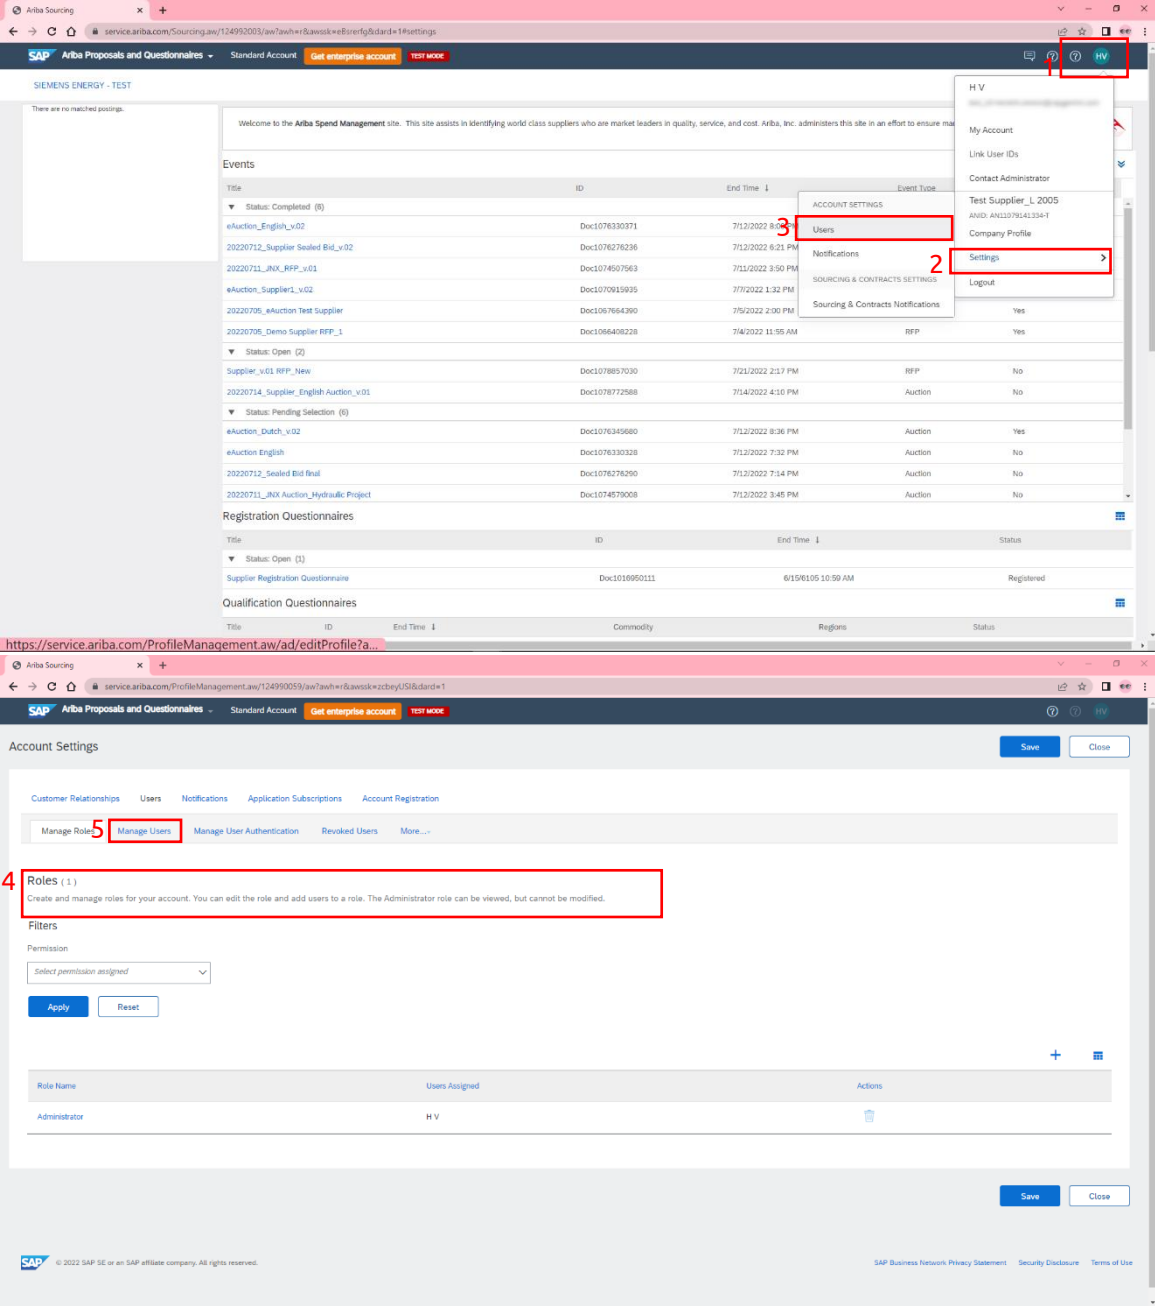

You can change your basic settings in ARIBA by clicking on your profile icon (1), followed by “My Account” (2).

All your account (1) and contact information (2), also your language settings, are listed which you can edit (3).

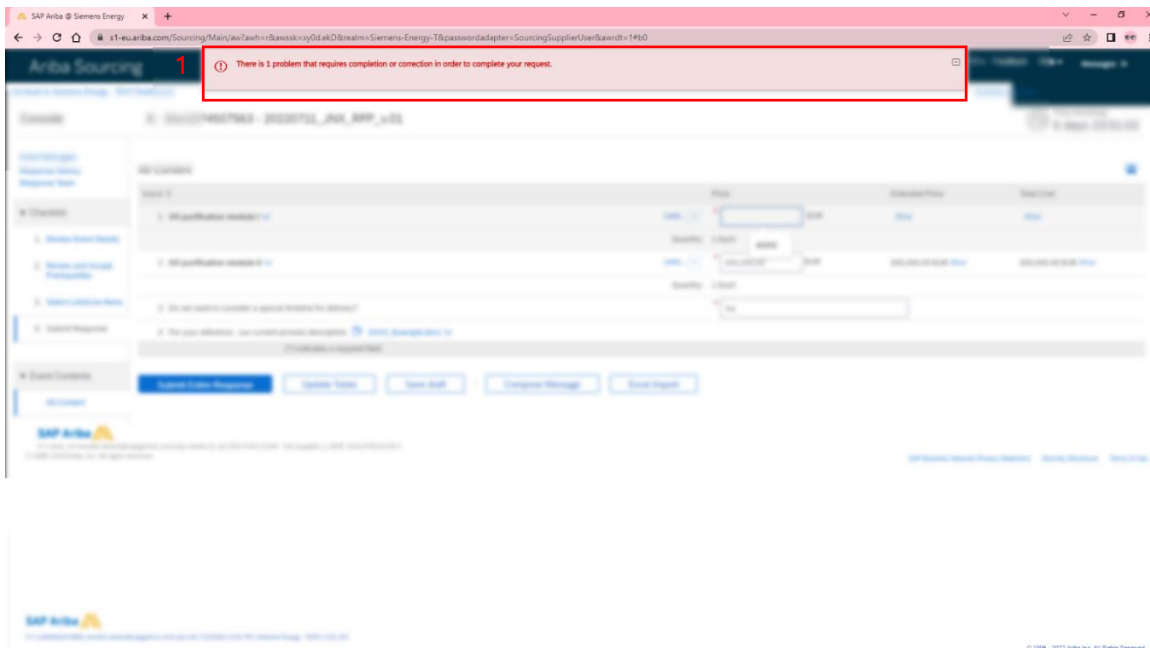

If you click on your profile icon (1), you can click on the section "Settings" (2) and then "Users" (3) to **change your account settings like the role (4) and user settings (5).**

## 2.4. Trouble Shooting

You may get **error messages (1)**, at the top of your page while filling out the form.

Please **read them carefully**, as ARIBA will tell you exactly **which information is missing or incorrectly entered**. Please go to the corresponding place and **change the fields accordingly**. The error messages should disappear. The mask and thus all information for the event are filled out correctly

## 3. AUCTION PROCESS

### 3.1 Answering eAuction

Let's switch back to your invitation to an English auction. Once you click on the respective button in the e-mail, or if you click on your open auction in the dashboard (1), you will be directed to the **response form** of the event in ARIBA.

## 3.2 Review Prerequisites

Please read the prerequisites and accept the terms of agreement (1). To proceed, please click on the button "OK" (2) followed by "Submit this Agreement" (3). Please note, if you decline to respond on the prerequisites, you are not allowed to participate at the auction.

The screenshots illustrate the steps to accept prerequisites in the SAP Ariba Sourcing system:

- Step 1:** In the 'Review and Accept Prerequisites' section, the user selects the radio button labeled "I accept the terms of this agreement."
- Step 2:** The user clicks the "OK" button to confirm acceptance.
- Step 3:** A confirmation dialog box titled "Submit this agreement?" appears, asking the user to "Click OK to submit." The user clicks the "OK" button in this dialog.

The prerequisites text includes:

Prerequisites must be completed prior to participation in the event.

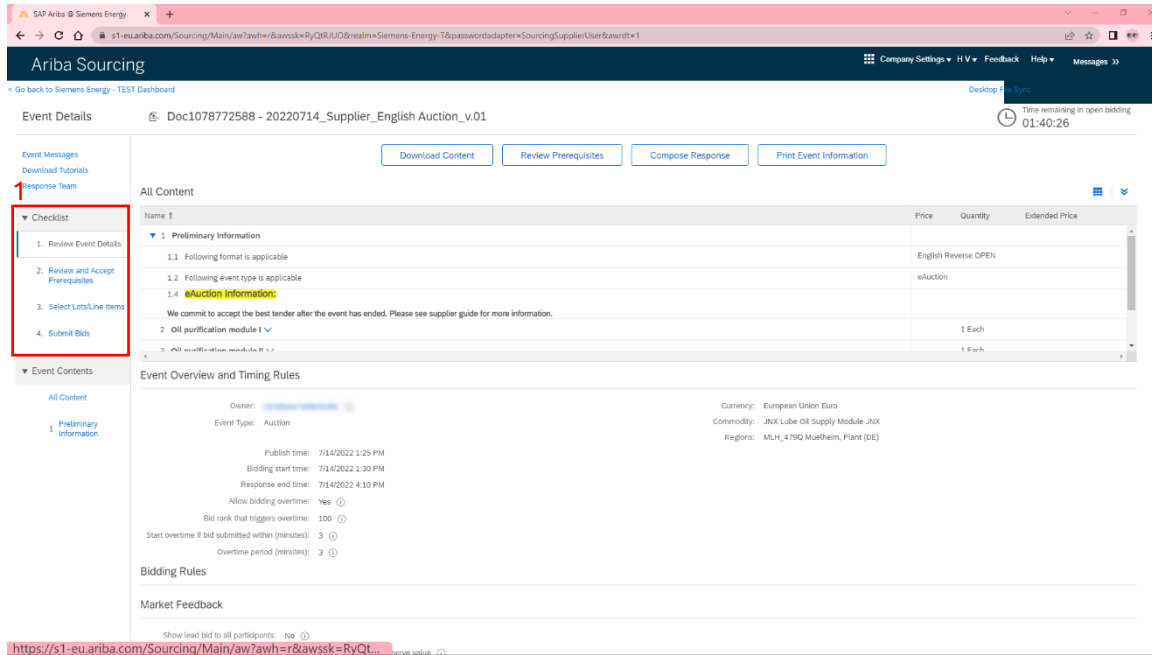

In consideration of the opportunity to participate in on-line events ("On-Line Events") held and conducted by the company sponsoring this On-Line Event ("Sponsor") on the web site (this "Site") hosted by Ariba, Inc. ("Site Owner"), your company ("Participant" or "You") agrees to the following terms and conditions ("Bidder Agreement"):

- Bids.** If you are invited to participate in the On-Line Event, Sponsor reserves the right to amend, modify or withdraw this On-Line Event. Sponsor reserves the right to accept or reject all or part of your proposal. Submission of a bid does not create a contract or any expectation by Participant of a future business relationship. Rather, by submitting a bid, you are making a firm offer which Sponsor may accept to form a contract, subject to section 2 below. Sponsor is not liable for any costs incurred by Participant in the preparation, presentation, or any other aspect of Participant's bid.
- Price Quotes.** Except to the extent Sponsor allows a non-binding bid, all Bids which Participant submits through the On-Line Events are legally valid quotations without qualification, except for data entry errors.
- Procedures and Rules.** Participant further agrees to be bound by the procedures and rules established by the Site and Sponsor.
- Confidentiality.** Participant shall keep all user names and passwords, the On-Line Event content, other confidential materials provided by the Site and/or Sponsor, and all bids provided by You or another participating organization in confidence and shall not disclose the foregoing to any third party.
- Bids through Site only.** Participant agrees to submit bids only through the on-line bidding mechanism supplied by the Site and not to submit bids via any other mechanism including, but not limited to, post, courier, fax, E-mail, or orally unless specifically requested by Sponsor.
- Ethical Conduct.** All parties will prohibit unethical behavior and are expected to notify the Site Owner by contacting the appropriate project team if they witness practices that are counter-productive to the fair operation of the On-Line Event. If Participant experiences any difficulties during a live On-Line Event, Participant must notify Site Owner immediately.
- Export Control.** All parties who use this Site hosted by Ariba, Inc. agree to comply with all applicable export control and sanctions laws, including the laws of the US, EU and Germany.
- Survival.** The terms and conditions of this Bidder Agreement shall survive completion of the On-Line Event.

### 3.3 Checklist

After accepting the prerequisites, you **start filling out all necessary information** regarding the English auction in ARIBA. On the left side of the mask, you see the section **checklist (1)**.

### 3.3.1 Review Event Details

Under the first section “Review Event Details” (1) you see the **summary of all details of the auction** and further information about the auction format, in this case an **English auction** (2). **Timing or bidding rules** (3) have been defined, which are relevant for the auction. In this section you can also see **attached files from the customer** (4) or **questions** (5).

### 3.3.2 Review and Accept Prerequisites

Under “Review and Accept Prerequisites” (1) you see the **terms of conditions summarized (2) which you have accepted in the previous step.**

The screenshot displays the SAP Ariba Sourcing interface for a supplier. The page title is 'Prerequisites' for document 'Doc1078772588 - 20220714\_Supplier\_English Auction\_v.01'. On the left, a checklist shows '2. Review and Accept Prerequisites' as the current step. The main content area contains the following text:

You accepted the prerequisites, which permits you to participate in this event.

### 3.3.3 Select Lots/Line Items

The section “Select Lots/Line items” (1) **contains the defined lots and line items of the auction which have been defined by the customer.**

You are required to **select all items** to which you have been invited. This is already prefilled, and you only have to confirm by clicking on the respective button “confirm selected lots/line items” (2).

The screenshot displays the SAP Ariba Sourcing interface for a supplier. The page title is 'Select Lots' for document 'Doc1078772588 - 20220714\_Supplier\_English Auction\_v.01'. On the left, a checklist shows '3. Select Lots/Line Items' as the current step. The main content area contains the following text:

Choose the lots in which you will participate. You can cancel your intention to participate in a lot until you submit a response for that lot; once you submit a response you cannot withdraw it.

**Select Lots/Line Items**    **Select Using Excel**

You are required to select all 2 of the lots to which you have been invited. You currently have selected 2 of them.

## 3.4 Submitting Process

### 3.4.1 Submit Bid

Once you click on the fourth section „Submit Bids“ (1), two new categories appear on the left side of the mask.

You see the „Event Contents“ with **preliminary information (2) about the auction as well as the respective lots** where you are asked to bid. Questions to answer or attachments from the customer are visible in this table.

Under the section „Choose Lot“ (3) you can **dive into the respective items** defined by the customer which you are asked to answer or bid.

The screenshot shows the SAP Ariba Sourcing interface for an English Auction. The browser address bar indicates the URL: `s1.e.ariba.com/Sourcing/Main/jw?wsh=6awosk=ByQRIJLO8vralm=Siemens_Energy_TBpasswondapter=SourcingSupplierUser`. The page title is "Ariba Sourcing".

The interface includes a navigation menu on the left with the following sections:

- Event Messages
- Response History
- Response Team
- Checklist
  1. Review Event Details
  2. Review and Accept Prerequisites
  3. Select Lots/Line Items
  4. Submit Bids
- Event Contents
  - All Content
    1. Preliminary Information
- Choose Lot
  - View all lots
  - Oil purification module I
  - Oil purification module II

The main content area displays "All Content" with a table of items:

Name	Rank	Price	Quantity	Extended Price
<b>1 Preliminary Information</b>				
1.1 Following format is applicable		English Reverse OPEN		
1.2 Following event type is applicable		eAuction		
1.4 <b>eAuction Information:</b>

5 project plan attached <a href="#">XXXX_Example.docx</a>				

At the bottom of the main content area, there are buttons: "Submit Entire Response", "Update Totals", "Save draft", "Compose Message", and "Excel Import".

Red boxes and numbers 1, 2, and 3 are overlaid on the screenshot to highlight the "Submit Bids" button, the "Event Contents" section, and the "Choose Lot" section, respectively.

## 3.4.2 Bidding

To **enter your bid** for respective line items, please click on „View All Lots“ (1) and enter your bid accordingly. Please click on „Update Totals“ (2) to see the **calculated extended price as well as the total costs** for the items which will be transferred to the customer.

**Mandatory fields** to fill out are marked with a **red asterisk** (3)

Please consider the specifically defined value of the **decrement bid** (4) which indicates the minimum value to undercut the current quote.

You can place bids within **predefined core time** (5). As soon as the bid has been submitted **within the last three minutes**, the **duration** of the auction will be **extended by another three minutes**. If another **bid** is submitted **during any extension time**, the auction will be **extended by another three minutes**.

The screenshot displays the SAP Ariba Sourcing interface for an English Auction. The main content area shows a table of line items:

Name	Rank	Price	Quantity	Extended Price
2 Oil purification module I		*	1 Each	FX
3 Oil purification module II		440,000.00 EUR	1 Each	FX

Below the table, there is a section for "Decrement selected items by" with a "value" input field and an "Apply" button. The action bar includes buttons for "Submit Entire Response", "Update Totals", "Reload Last Bid", "Save draft", "Compose Message", and "Excel Import".

On the left sidebar, under "Event Contents", there is a "Choose Lot" section with a "View all lots" button. At the top right, a timer indicates "Time remaining in open bidding: 01:39:10".

### 3.4.3 Submit Entire Response

Once you have filled out your quote, please click on the button „Submit Entire Response“ (1) to finalize your bid.

The screenshot shows the SAP Ariba Sourcing interface for an English Auction. The console displays the document ID 'Doc1078772588 - 20220714\_Supplier\_English Auction\_v.01'. A green message bar indicates 'Your response has been submitted.' The main content area shows a table with two items:

Name	Rank	Price	Quantity	Extended Price
2 Oil purification module I	1	€40,000.00	1 Each	€40,000.00 EUR
3 Oil purification module II	1	€50,000.00	1 Each	€50,000.00 EUR

Below the table, the 'Submit Entire Response' button is highlighted with a red box and labeled '1'. Other buttons include 'Update Totals', 'Reload Last Bid', 'Save draft', 'Compose Message', and 'Excel Import'. The left sidebar contains a checklist with steps: 1. Review Event Details, 2. Review and Accept Prerequisites, 3. Select Lots/Line Items, and 4. Submit Bids.

### 3.4.4 Revise Response

Your response has been submitted. **You can submit new bids as often as you want during the run time (1).** Please note, you can **revise your bid** by clicking on the button “Reload Last Bid” (2), as long as the auction is still live and open.

The screenshot shows the SAP Ariba Sourcing interface for an English Auction. The console displays the document ID 'Doc1078772588 - 20220714\_Supplier\_English Auction\_v.01'. A green message bar indicates 'Your response has been submitted.' The main content area shows a table with two items:

Name	Rank	Price	Quantity	Extended Price
2 Oil purification module I	1	€40,000.00	1 Each	€40,000.00 EUR
3 Oil purification module II	1	€50,000.00	1 Each	€50,000.00 EUR

Below the table, the 'Reload Last Bid' button is highlighted with a red box and labeled '2'. The 'Time remaining in open bidding' timer is highlighted with a red box and labeled '1', showing '01:37:04'. Other buttons include 'Submit Entire Response', 'Update Totals', 'Save draft', 'Compose Message', and 'Excel Import'. The left sidebar contains a checklist with steps: 1. Review Event Details, 2. Review and Accept Prerequisites, 3. Select Lots/Line Items, and 4. Submit Bids.

Digitalization is fundamentally transforming the value chain and offers major opportunities for all parties. It helps us automate order processing, achieve speed, end-to-end visibility, remove manual errors while improving quality and efficiency. Digitalization is not just a project, for us in Siemens energy it has become a part of our strategy. We consistently pursue our goal of driving ahead our digitalization initiatives. We continuously seek to make our procurement processes simpler and more efficient not only for us, but for you as our supplier partners as well. From mid-2022 onwards, Siemens Energy has decided to use a new and innovative solution SAP ARIBA to continue its collaboration with you.

**E2E ARIBA Implementation**

**KEY FACTS**    BENEFITS    MANUALS    SUPPORT

We are leaving behind SCM Star for the implementation of SAP ARIBA, our new all-in-one suite for both strategic and indirect procurement, to create a more simplified system landscape for both of us, Siemens Energy and our suppliers.

We proceed step-by-step with the implementation of ARIBA, starting in June 2022.

As one of our suppliers there is no need to take an active step from your side. Our teams are working in the background on registering you as
