Dividend and profit appropriation announcement

The Annual Shareholders' Meeting on February 26, 2026 resolved that the unappropriated net income of Siemens Energy AG for the fiscal year ended September 30, 2025, amounting to EUR 793,187,315.46, be appropriated as follows:

Distribution of a dividend of EUR 0.70 on each share of no-par value entitled to the dividend:	EUR 601,267,489.90
Amount carried forward:	EUR 191,919,825.56
Unappropriated net income:	EUR 793,187,315.46

In accordance with Section 58 (4) sentence 2 of the German Stock Corporation Act (Aktiengesetz), the dividend is due on the third business day following the resolution adopted by the Shareholders' Meeting, i.e. on March 3, 2026.

The dividend will generally be paid out by the depositary banks via Clearstream Europe AG after deduction of the applicable withholding tax (25%) and the applicable solidarity surcharge (5.5%) on the withholding tax (totaling 26.375%) and, if applicable, church tax on the withholding tax.

The deduction of withholding tax plus the solidarity surcharge does not apply to shareholders subject to unlimited tax liability in Germany, insofar as they have submitted a valid non-assessment certificate ("Nichtveranlagungsbescheinigung") or a valid tax exemption form ("Freistellungsauftrag") with sufficient exemption volume to their depositary bank in good time.

For certain shareholders subject to limited tax liability in Germany, the retained withholding tax plus the solidarity surcharge may be reduced, among other things, upon application in accordance with existing double taxation agreements between the Federal Republic of Germany and the respective country.
