

Funmi Akande

Finance Director, Siemens Energy
Nigeria

Olufunmilayo Akande (Funmi) qualified as a Chartered Accountant in 1997, a Fellow of the Institute of Chartered Accountants of Nigeria and an Associate of the Chartered Institute of Taxation of Nigeria. She holds a B.Sc. (Combined Honours) in Archaeology/Zoology from the University of Ibadan, Nigeria.

Her career of over 25 years started as an Audit Trainee in Sulaimon & Co, an indigenous audit firm with well-established clients in the Northern part of Nigeria where she distinguished herself. In her current role as the Finance Director of Siemens Energy Limited, Nigeria she is responsible for defining, implementing and monitoring the Financial and Business strategy of the highly innovative company. Prior to assuming her current role, she was the Country Financial Controller for Accenture Nigeria where she was also Support Lead for the Ethics and Compliance programme.

Funmi loves to work with children and young people especially girls.”
