

INFORMATION AND GENERAL CONDITIONS FOR TRAINING

1.0 Registration/booking

Participants are requested to fill out the Standard registration form and send the form by e-mail to main contact person and/or marine.solutions.no@siemens-energy.com.

Registration deadline is usually about 4 weeks before the course starts. The number of registered participants is decisive for whether a course will be held or not.

The registration is binding as soon as Siemens Energy has confirmed the registration in writing/e-mail.

2.0 Fee/invoice

The fee includes the course, course material, necessary equipment, issuing a certificate as proof of course participation, lunch and refreshments.

Prices are in NOK excluding VAT.

The course will be invoiced after completion.

3.0 Accomodation

Accomodation is not included in the course fee, however, Siemens Energy may assist with hotel booking.

4.0 Cancellation

The Participant may cancel the registration by notice in writing. If the Participant cancels the registration more than three (3) weeks before starting date of course the cancellation will be free of charge. If the Participant cancels the registration later than three (3) weeks before starting date of course, 100% of the Price is charged.

Siemens Energy may cancel a course with two (2) weeks notice.

5.0 Copyright Siemens Energy

The reproduction of course documents for unauthorized purposes, distribution and use of its content to other parties is not permitted. Offenders will be liable for damages. Software provided by Siemens Energy for training purposes during courses may not be removed, copied either in whole or in part or be utilized in any other unauthorized manner. Course material is only supplied to course participants.

6.0 Disclaimer

Siemens Energy shall have no liability in case a course is cancelled. Furthermore Siemens Energy disclaims any liability as regards to the content of the course.

7.0 Norwegian law

Norwegian law applies for all matters related to these General Conditions.
