

# SEE powered by SCCoTy 2.0

## How to get started

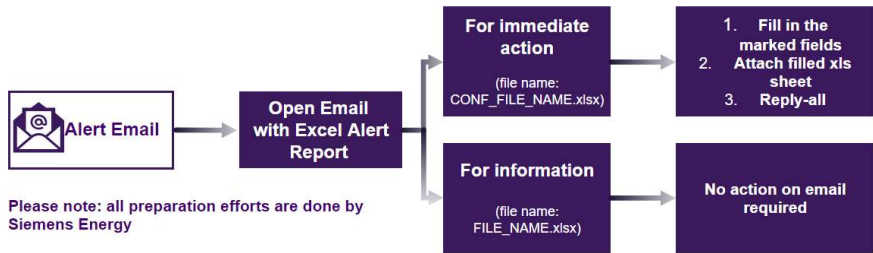

### What is SEE powered by SCCoTy 2.0?

SEE powered by SCCoTy 2.0 is an expediting solution that delivers true customer value by automating major expediting activities for all open purchase orders (POs):

### SEE powered by SCCoTy 2.0

- ✓ Monitors open POs.
- ✓ Identifies POs that require action.
- ✓ Sends email alerts to take action.
- ✓ Processes suppliers' responses in SAP.
- ✓ Provides transparency.

### Instructions on getting started with SEE powered by SCCoTy 2.0

Please note: all preparation efforts are done by Siemens Energy

\*light box= SE activities  
Purple box = supplier activities
