Dear Sir or Madam

Scope

This NTS is only applicable to UK based suppliers shipping GT parts to ITCL or Siemens Canada

Introduction

On December the 6th, We issued a NTS for the new logistic requirements for GT parts inbound to ITCL and Siemens Canada. The URL for the UPS website to support the ITCL and Siemens Canada shipments in the UK were not available and or working well. Issue 002 of this notice did not provide a solution either!, So here is attempt #3. Apologies for the confusion.
