

SEE powered by SCCoTy 2.0

Automate SE expediting tasks!

What is SEE powered by SCCoTy 2.0?

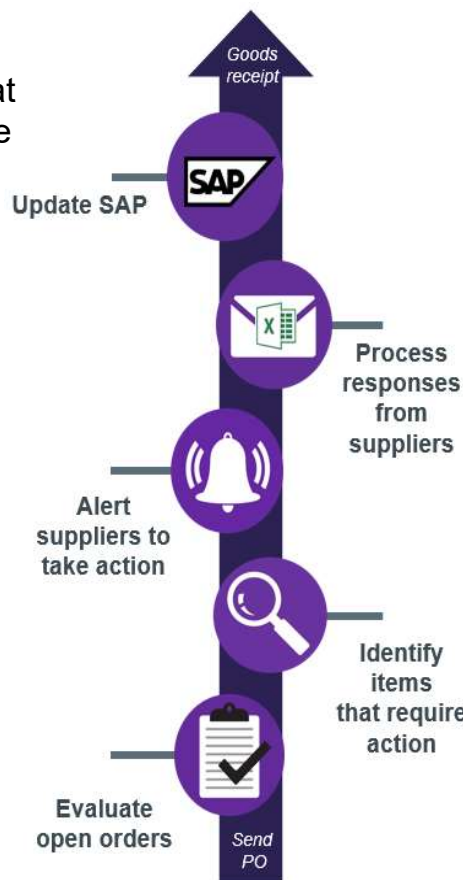

SEE powered by SCCoTy 2.0 is an expediting solution that delivers true customer value by automating major expediting activities for all open purchase orders (POs):

SEE powered by SCCoTy 2.0

- ✓ Monitors open POs.
- ✓ Identifies POs that require action.
- ✓ Sends email alerts to take action.
- ✓ Processes suppliers' responses in SAP.
- ✓ Provides transparency.

How does it work?

What is the benefit?

SEE powered by SCCoTy 2.0

- ✓ Helps you to **manage orders** in a **timely** manner.
- ✓ Sends alerts, if **POs need additional attention**.
- ✓ **Updates** Siemens Energy **POs** based on your feedback.
- ✓ Is **easy to implement and use**.

For further information please visit the [Siemens Energy homepage](#) under Supply Chain Management.
