

Dr.-Ing. Jochen Eickholt

Member of the Executive Board of
Siemens Energy AG

Member of the Executive Board of
Siemens Gas and Power
Management GmbH

Dr.-Ing. Jochen Eickholt has been a Member of the Executive Board of Siemens Energy AG since April 2020 and a Member of the Executive Board of Siemens Gas and Power Management GmbH since January 2020. He is responsible for the Generation and Industrial Applications businesses and for Asia-Pacific and China.

He studied electrical engineering at the RWTH Aachen in Germany and at the Imperial College of Science, Technology and Medicine in London, UK. After receiving his engineering degree, he went on to earn his doctorate at the Fraunhofer Institute for Production Technology in Aachen.

Jochen Eickholt has been with Siemens since 1999, holding several executive positions throughout the organization including Chief Executive Officer of Siemens Elektropřístroje s.r.o. in the Czech Republic, Chief Executive Officer of Siemens Home and Office Communications, Chief Executive Officer of Rail Automation and Chief Executive Officer of Rail Systems. He was the Chief Executive Officer of Siemens Mobility from 2014 to 2017 before he took over the role of Siemens Alstom Head of Integration Management in 2017. Most recently, he served as the Chairman and Managing Partner of the Siemens Portfolio Companies.
